The hard-headed attitude of some drivers is convincing proof all the concrete is not in the highways.

The Dads Club will act as host to the members of the Albany High football team and their Dads, and to all other Dads and their sons of Albany High. The club wishes to extend a special invitation to the Dads of all the Low 8th graders.

The program for the evening will include songs by the Albany High boys glee, a community sing, and a talk by Louis 'Dutch' Conlan, the outstanding football official of the west coast and former St. Mary's College quarterback. After the talk, "Highlights of Football of 1944" will be shown.

It is hoped that many Dads will turn out to participate in this very splendid program.

Plan Halloween Dance For Teen Agers

The second annual Halloween Party for elementary school chil- dren will be held at the Codornices Village Recreation Center, Friday evening, October 26, at 7 p. m.

The program is under the auspi- ces of the Albany Recreation De- partment, and directors Thelma Vickland, Leo Adams, Clarence Vickland, and Marion Cunningham will direct this gala affair. Song, games, group dances, skits, and cos- tume judging have been planned.

Superintendent of Recreation Ed- win S. Howell stated that in addi- tion to the Children's party, a Hal- loween Dance has been planned for the teen-agers on October 31, 1945. Vernal Glenn and his band will keep the air vibrating with their tantaliz- ing rhythm from 8:30 to 11:30. Hal- loween games and refreshments and a good time is assured for all who attend.

Community War Chest Close To Quota Mark

The Albany division of the Com- munity War Chest is close to the realization of its $8,500 goal, with 85 per cent recorded to date.

With further contributions from residents, who have not so far giv- en and those who wish to help by giving again, the division hopes for an "over the top" score before No- vember 1, according to Elmer F. Coble, co-chairman of the campaign with Oliver Nelson.

The residential solicitation army under leadership of Mrs. Ralph S. Locke, has chalked up a 100 per cent score. Team captains were Mrs. S. Odegard, Mrs. R. E. Crane, Mrs. J. W. Winkleman, Mrs. B. Christenson, and Mrs. Walter Kees.

The school division under leader- ship of William Woolworth went over the top with 107 per cent on their quota.

City employees have reached 97 per cent, with but $7 to go, accord- ing to report by "Colonel" Fred Pimental.

Returns from the business district are as yet incomplete and it is ex- pected that considerably more con- tributions may come from this source, according to Coble, who re- ports that the volunteer workers will put on intensified effort dur- ing the coming week to complete the job.

Albany residents who wish to con- tribute by mail or in person may do so at the Albany YMCA or at the Community War Chest headquarters, 2073 Allston Way, Berkeley, and their donations will be credited to the Albany division.

Cornell P.T.A.

The next Cornell P.-T.A. meeting is scheduled for the evening of Thursday, November 1st, at 7:30 o'clock. It is hoped that as many fathers as mothers will turn out for this meeting to hear a most inter- esting and timely panel discussion on "Inter-Racial Tolerance." Mem- bers of the panel will include a Jap- anese-American, a Chinese, a Negro, and a U. C. college professor, who will act as moderator. Following the discussion, refreshments will be served in the school cafeteria.

War Finance Committee to Hold Meeting

W. J. Bowman, president of the Albany Federal Savings and Loan Association, announces that the first meeting of the Albany War Finance Committee has been called for Fri- day, October 26th, to formulate the necessary plans for a successful pro- gramme for the 8th War Loan Cam- paign which will start on October 29th and continue through Decem- ber 8th.

Those serving on the War Finance Committee are: W. J. Bowman, gen- eral chairman; Kay Fritz, assistant general chairman; Walter Kees, Duke Sallee, Joseph J. Yovino- Young, James Casey, Gartner Thom- as, Leighton MacGregor, Joseph Villa, William Shyvers, Ila Wilson, Gertrude Ross.

Grace Higgins, Nel Moore, Myrtle J. McLean, May Ellis Olson, Wil- liam Donahue, Walter Teasdale, Lee Carroll, Glen French, Edwin How- ell, William Garren, Al Fisher, Wil- liam Woolworth, Milton Gordon, Fire Chief Fred Pimentel and Police Chief Stan Williams.

As the plans are completed for this campaign they will be given to the citizens of Albany with the earnest request of the entire com- mittee that each individual of the city back the campaign with every effort possible so that again Albany can say "WE HAVE GONE OVER THE TOP."

'Good Bad Man' Comes to A.H.S.

"The Good Bad Man," mystery drama of the Mexican border, will be presented by the Junior class of Albany High School on the night of November 2.

Under the direction of a new drama coach, Miss DeVore Watt, who this year returned to Albany from serving in the Women's Army Corps, the Juniors will enact the famous Broadway hit.

"The Good Bad Man" takes place at the ranch house of an American a few miles across the border where East (from Boston) meets West (from Mexico) in a fast-moving welter of mysterious corpses, suave Mexicans and riots over water rights.

Art Doss heads the cast as the good bad man himself. Don Kraft has the role of the baffled detec- tive and Jim Reid supplies comic relief, as well as burnt tortillas in his role as ranch cook. The part of the mysterious, suave, ubiquitous Mexican is taken by Earl Goldman. Ray Wilson as the local coroner who never held an inquest in his life, has the richest comedy role of the play.

Elizabeth Hall will play the part of the American's daughter, fresh from Boston, and Delia Jones will appear as her tenderfoot spinster aunt whose adventures among the Mexicans produce many a laugh. Mildred Borba has the role of a fiery tempered Mexican woman and Barbara Whyatt will appear as Peg- gy Kendall, the ingenue.

More than 200 enthusiastic Jun- iors are at work behind the scenes for the success of their play. Among them are Sherman Locke, stage manager; Phyllis Kinman, assisted by Rose Marie Krajcar, Jean Mos- ley, Anne Ivancich, Clara Stauber, and Elizabeth Nebling in charge of the lobby decorations and the ticket squad.

Advertising for "The Good Bad Man" is handled by chairman Rich- ard Johnson, aided by Kenneth Dodge, Everett Wiest, Phidias Chel- emedos and Donald Hahn.

Amie Bates and Frances Wake- man are responsible for costumes and makeup.

Posters and programs are under the supervision of Gloria Lindstrom.

The "Mexican" usherettes will in- clude: Louella May, chairman; Lois Foster, Alice Maxwell, Phyllis Brothers, Roberta Dodson, Shirley Coberly, Irene Klein, Beverly Fil- bert, Jean Harvey, Shirley Grand- holt, Shirley Vezilich, Olive Peter- son, Milita Now, Jean Tatausek, Mary Lou Tartham, Joan Kranz, Jackie Smythe, Peggy Priest, Pear Schaefer, Dorothy Dowling.

Proceeds from the play will go to the treasury to meet the expenses of the Junior class in their gradua- tion festivities.

Residential Area 'Over the Top' in War Chest Drive

Highlights of the last day of the drive were given to us by Mrs. Ralph Locke, who described it as a photo-finish.

Just ten minutes before she left for the final report luncheon they were still about $26.00 short of the goal. The telephone rang and it was one of the Captains saying $19.50 more had just come in, mak- ing them now $5.00 short. When she arrived at Chest Headquarters, awaiting her was a check for $10.00 that had come through the mail.

THEY WERE OVER!

Mrs. Locke said, "It is very dif- ficult to express in words what I feel in my heart toward all these ladies who have made this success possible. They have done an al- most super-human job this year be- cause it has been uphill all the way. With a heart full of gratitude, I would like to say to them all a very sincere thank you."

Those ladies who gave of their time so generously were:

Sponsors Adult Classes

Adults who are planning to build new homes or redecorate their pres- ent homes are finding the Albany adult class in Interior Decorating extremely valuable. Mrs. Louise Hammond, instructor, states that all phases of home decoration, color schemes, furniture arrangement and styles, floor plans and layouts are to be studied by this group.

Several excursions to outstanding homes in the Bay region, as well as trips to stores and art exhibits are planned as part of the year's work. The class meets at Cornell School every Wednesday at 1:30 to 3:30 p. m. Mrs. Ray Burnett is parent education chairman for the Cornell P.-T.A.

Woman's Auxiliary to Hold Annual Bazaar

The annual bazaar of the Wom- an's Auxiliary of Northbrae Com- munity Church will be held next Tuesday, October 30, in the Church building, Los Angeles and The Ala- meda, opening at 10:00 a. m. There will be offered for sale many ar- ticles eminently suitable for Christmas gifts.

Marin Dads Club Sponsors Annual Halloween Party

The Marin School Dads Club is sponsoring its annual Hallowe'en party Wednesday evening, October 31, in the school yard, weather per- mitting. In case of rain the party will be held in the auditorium.

This will be the first outdoor par- ty since 1941, due to war conditions in the past.

Master of ceremonies will be Ed Howell. Plenty of entertainment is promised along with treats for all the children. The usual parade for those who wish to participate will wind up the activities.

All street crossings will be policed to insure safe crossing for all. Doors will be open at 7 p. m.

Police Chief Issues Warning

Now that war time restrictions are over Chief of Police S. C. Williams hopes that young and old will en- joy the festivities of the Hallowe'en period. During the war emergency years everyone was requested to re- frain from making noises and un- usual disturbances which would keep war workers from getting their nec- essary sleep, and destroying prop- erty which could not be replaced.

However, Chief Williams still is- sues a request that malicious mis- chief not be indulged in while cele- brating so-called picket night and Hallowe'en night itself. All juve- niles disobeying the laws will be brought to the police station until called for by their parents or guar- dians.

New Fords on Display at Albany Motors

Curt Campbell, proprietor of the Albany Motors Company, this week proudly invites the public to "come in and see the new 1946 Fords."

Something brand new will be the Sportsman's Convertible, a natural blending of the station wag- on and the convertible, will be in limited production soon after the public announcement of the 1946 models, J. R. Davis, director of sales and advertising of the Ford Motor Company, announced today.

"These cars will be built," Mr. Davis said, "in recognition of the public demand for a sport type car with the informal appearance of a station wagon and the convertible top and close-coupled seating of a convertible coupe."

In corporating the engine and chassis improvements of the 1946 Ford, the Sportsman's Convertible will have a stronger body which can be maintained more easily than the former all-wood type station wag on body, Mr. Davis said. At the same time he emphasized that none of the yacht-like beauty of the fa- miliar station wagon will be sacri- ficed.

The wooden panels of the new body are applied over a steel frame. The proven power-operated top used on the convertible club coupe and the standard type window raisers and other fittings are utilized. In- side, the car will be finished with leather upholstery.

Surprise Shower for Virginia Gerling

At her home on Pomona Ave., Mrs. W. H. Stockton gave her Theta Sigma Phi sorority sister Miss Virginia Gerling a surprise bridal shower last Thursday. Miss Gerling is the fiancee of R. M. Cushman of Cadillac, Mich., who was recently discharged from the Navy.

The buffet table was decorated in pastel shades, the centerpiece was a large cake bearing the names of the pair—Virginia and Mark. The bride-to-be was the recipient of many lovely gifts.

Those attending the shower were the Misses Lida Beemer, Barbara Boyd, Audrey Fisher, Daryle Ger- ling, Millie McKenzie, Evelyn Mc- Cully and Barbara Stillwell and the Mesdames H. Boyd, F. Ben- nett, P. Esperance, P. Fisher, A. Gerling, P. Johanbnecht, E. Lukes, L. McCully, M. Noe, F. Turnbull and L. Spangler.

ALBANY BASE PLANS NAVY DAY CELEBRATION

The Naval Landing Force and Equipment Depot of Albany will observe its first peace time Navy Day by holding open house on Sat- urday, October 27. Visitors will be admitted from 2 p. m. until 5 p. m. to inspect the thousands of land- ing craft of all types that played such a vital part in winning this war. This invitation was extended by Capt. Horace C. Laird, command- ing officer of the depot.

A Navy Day program committee, consisting of Lt. Comdr. J. A. Frew, Lt. Comdr. H. C. Taylor, Lt. G. N. Hammond and Lt. A. G. Dittberner, welfare officer has ar- ranged a special Navy Day pro- gram that will include a display of all of the smaller types of landing craft responsible for victory after victory in the Pacific islands.

Many of the landing craft will bear the brutal marks of battle re- ceived while invading enemy-held strong points in the Pacific and will reveal the highly skilled crafts- manship of thousands of Navy per- sonnel who have worked so hard to do their part in winning the war from the Naval Landing Force Equipment Depot.

A thrill awaiting visitors will be a trip around the bay area in a number of landing craft of the LCVP and LCPL type, operated by sailors from this base. A num- ber of landing craft will be on dis- play fully equipped for invasion. Another "must see' will be a Jap- anese landing barge captured in the Pacific and sent back to this base. It will be interesting to note the difference in the landing craft of the Japanese and our own.

Another display will be a mobile repair unit that was used on ad- vance bases to repair landing craft damaged in invasions. These units made "on the spot" repairs avail- able and many sailors from this base were selected to maintain them after receiving skilled train- ing here.

"Jeep" of landing craft, the "weasel," will also be in the dis- play. This little vehicle made it possible to travel over almost every type of terrain, from water to sandy beaches and swamps.

All officers will be on duty Navy Day to conduct the tremendous in- flux of visitors expected around the different departments. They will be glad to answer all questions per- missible regarding the various types of landing craft. Visitors will be allowed to drive their cars on the base and park in the large park- ing area overlooking the harbor.

Fire Chief Asks Hazard Prevention

Fire causes are summed up into various groups and are classed ac- cording to their frequency. It is during the coming winter season that the fourth most common cause for fire adds to its large percent- age of occurances.

Fire Chief Fred Pimentel asks the aid of the citizens of Albany to as- sist in reducing fires in this class by preparing for the cold season with the following precautions in mind:

Attend to cleaning and repairing of chimneys, heaters, furnaces and flues before they are put into use. Remove any accumulation of lint or foreign materials from the floor fur- naces.

Any storage of combustible ma- terials near flue pipes or furnaces should be removed, and the storage of paints, varnishes and any vola- tile oils near heating units should be considered a very dangerous prac- tice. Heavy vine foliage sometimes grows over chimneys that are not used during the summer months, and constitute a severe hazard when the fireplace is again lighted.

Hot ashes should be removed from the menace class by disposing of them in metal receptacles.

In acknowledging the success of Fire Prevention Week in the city of Albany, Chief Pimentel thanked the citizens and social organizations for their "fine cooperation."

Rev. Cross to Talk On 'Is Prohibition Coming Back'

World Temperance Sunday will be observed byy Rev. Laurance L. Cross and the congregation of Northbrae Community Church Sunday morning at 11, when he will speak on the subject, "Is Prohibition Coming Back?"

Guests of honor will be members of the Oakland and Richmond chap- ters of "Alcoholics Anonymous," new temperance organization which is sweeping the country.

Music for the service will be fur- nished by the community choir of which Stephen Lehmer of Albany High School is baritone-director and Vincent Duckels, organist.

A church-time nursery is main- tained for the convenience of par- ents with small children.

On Wednesday, October 31st, the Community Dinner will present the first session of "Controversy Court." Patterned after Town Hall and Round Table programs on popular questions, it will consider the ques- tion, "Should We Reveal the Atomic Bomb Secret to Russia?"

Arguing that we should reveal it will be Dean Joel Hildebrand of the Chemistry department of the University of California, and Attor- ney Richard W. Young of the U. S. Land Bank. Arguing against re- vealing it will be Attorney Hilary Crawford, a veteran of World War I and head of the National Defense Section of the Commonwealth club, and Hon. Ralph Eltse, former Re- publican Congressman at Washing- ton.

Questions from the floor will be welcomed following the five minute addresses of each speaker. The price of the dinner is 75 cents and reservations open following the Sun- day morning service where they can be made in person and Monday morning at 9 when they can be made by calling ASh. 3419. The church is at Solano and The Ala- meda.

WE'LL TAKE OVER YOUR TIRE WORRIES

IF YOU ARE "B" OR "C" DRIVER . . . and need new tires, we'll fill out the application, handle it with your ration board.

THE TIRES WE HAVE IN STOCK are B. F. Goodrich Silvertowns —tires which have been *proved* by an estimated 3 BILLION MILES of essential driving. You'll appreciate the recently reduced prices on Silvertowns.

IF YOU AREN'T ELIGIBLE for new tires, we'll make it our business to keep you rolling *for the duration!* Our men are trained in the approved FACTORY METHOD of recapping and can add thousands of miles to the life of your present tires. And our careful repairing of bruises and cuts will add miles too.

DRIVE IN TODAY for an official TIRE CHECK-UP. Our men can spot undue wear . . . tell you how it can be prevented. (Off-the-wheel inspections are only 50¢ per wheel.) We'll also give you mile-stretching TIRE ADVICE on rotation, air pressure, driving. So bring all your tire worries to us . . . and you can leave 'em behind when you drive away.

They've proved themselves by rolling up 3 billion miles! Hundreds of letters from essential drivers now riding on them say: "As good as pre-war tires," backed by 3 years' extra experience with synthetic—and the 80,000,000-mile road test.

SAN RANCISCO. — Of the cards received from antelope hunters, 291 reported getting a buck, and but twenty have reported that they had no luck. The balance of the 500 hunters, or 189, have yet to be contacted by the Division of Fish and Game to determine the results of their hunt.

Quick ELECTRIC HEAT FOR PERSONAL COMFORT

In every home there is need for the quick, extra service of electric heat. In cold corner rooms, in dens, in dressing and bathrooms, in breakfast nook or basement room, electric heat is the low cost way to solve difficult heating problems. Electric heaters built into the wall are ideal in bathrooms. Plug-in type electric heaters are very often necessities for close-up personal warmth. Electric heaters are quick in action, pouring out a flood of sunny heat at the snap of a switch.

. Handy as a full length mirror in your dressing room or bathroom is this tall and comforting built-in electric heater.

Give to your Community War Chest!

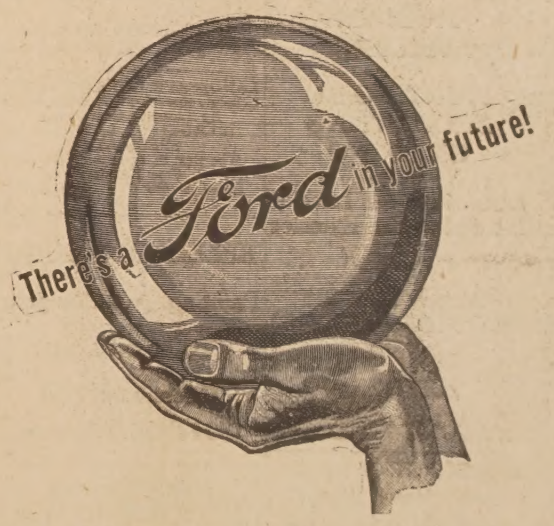

. . . For bathtime use nothing equals the clean, sunny glow of radiant heat from a built-in electric wall heater. It is so safe and healthful.

What Is Color Styling

It is the instrument through which we may transform a drab, dreary, ungainly house into a place of beauty—into a charming, cozy, cheerful home conducive to peace, happiness and contentment.

Color styling is the instrument through which we may convert a dingy, dismal, depressing place of business—a place that strains our eyes, gets on our nerves, and drives us "nuts"—into a bright and snappy place that is an inspiration to all who work in it.

It is the instrument through which we can change gloomy, nervous, irritated, clock-watching employees into cheerful, happy, satisfied people—assuming, of course, they are properly treated as well.

It is also the instrument through which disturbing architectural features an be changed tectural features can be changed factual modeling.

How does a color stylist work? First, by analyzing your problem; second, by knowing what colors to use and where to put them to correct the problem.

If, for instance, you've got a wife who is always grumpy in the morning and spoils your day . . . or if you are the "grump" and spoil her day . . . chances are the colors in the bedroom, bathroom or breakfast nook are getting on your nerves—that is, unless your livers are at fault. If the livers are okay, the stylist can correct the situation and your troubles are usually over.

If the ceiling of a room is so high that you feel lost in it . . . or so low that you feel crushed . . . the color stylist can correct that, too. He simply puts the right colors in the right places and—presto—down comes the high ceiling or up goes the low one, as the case may be.

If a room is too long or too short . . . too wide or too narrow . . . just call a color stylist. He'll straighten it out in a hurry He'll put the right colors in the right places, and there you are.

How does he do it? By fooling the eye. By creating lasting optical illusions. He is a true magician, for his illusions last long after he has packed up and gone away.

Now that you know what color can do for you, your family and your employees . . . what can you do to gain these advantages for yourself and for them? Simply this: Next time you redecorate, don't call in a "cut-price" painting contractor. Call a good one—one who is a real color stylist.

Don't tell him what colors you want. Ask his advice. Follow it and you'll be amazed at the miraculous transformation he can create—not only from the standpoint of beautification but from a psychological angle as well.
